SUPERINTENDENTS AND PRINCIPALS ROUND TABLE MEETING

The Superintendents and Principals Round Table Meeting of Northwestern Ohio will be held at the Normal college on Friday and Saturday, April 7 and 8.

Two sessions of the Round Table meeting are to be given to the subject of Rural Education. Miss Mabel Carney of Teachers' College, Columbia University, has been secured to lead the discussion on Friday afternoon and to give the address on Friday evening.

On Saturday morning several topics of general interest will be discussed by some of the leading educators of the state.

The dinner of the Schoolmasters' Club will be held on Friday evening at 6 P. M., Central Standard time. In order to insure accommodations for all, it will be necessary to secure reservations from Prof. C. J. Biery, State Normal College, not later than April 5. Plates, 75 cents.

The faculty of the Normal college will give a reception to the members of the Round Table and their friends immediately following the close of the program on Friday evening.

All school men are cordially invited.

DRAMA CLASS SEES "KINDLING"

Prof. Rea McCain's Drama class went to Toledo on March 1, to see "Kindling", a three act play by Charles Kenyon, which was given at the Toledo theatre. The play was very well given and was observed with profit by the members of the class.

NEW GIRLS' DORMITORY

A new dormitory for women will be erected on the college campus. Such a building was provided for by an appropriation of \$150,000 by the last General Assembly.

The additional dormitory accommodations will undoubtedly have a beneficial effect on the enrollment. Accommodations for women students have been inadequate.

Plans and specifications for this building are being prepared by S. P. Stewart & San, local architects.

GIRLS GIVE SWEETS TO DEBATERS

Miss Helen Shafer, Miss Mickey Long and Miss Glarys Hostetter, three of the girls of B. G. N. C., gave each of the two debate teams and Mr. Carmichael a box of candy on Monday after the debate. The debaters all join in saying "Long live home-made candy". After being so bitter to Ypsi they are now sweet.

ASHLAND VS. B. G. N. C.

The Normal quintet lost the most exciting game of the year when Ashland college played a return game here Friday night, February 17. A five-minute overtime period was played to settle which was the best team and a foul shot decided the victors.

The first half ended 22 to 21 in favor of the Orange and Brown. The score at the end of the game was 30 to 30. Bachman and Premo starred for Bowling Green.

A new style from Paris is footless hosier. A countless number of Americans have been in style, in this respect, since they were children.

Spring time, the happiest season of the year, is not far distant. On the campus many signs of spring have been noted for 1922. They are:

"Appearance of"—

The robin, earthworm, strollers, baseball, marbles, spring fever, the desire on the part of some students to skip classes, porch swing dialogues, dandelions, etc.

"Disappearance of"—

Zero weather, overcoats, goloshes, wool socks, etc., hot chocolate and basketball. Everyone welcomes spring. It is not as slushy as most of the poetry it inspires.

"June 15, 1922." The significance of this date is that it will be Alumni Day at Bowling Green Normal college. This is the reunion of the big family of Alumni and former B. G. N. C. students.

The opportunity for all former B. G. N. C. students to come back to their Alma Mater and meet old friends.

Remember the time and place and be present. You are cordially invited.

The dual victory in debating which is the characteristic annual reward for Prof. J. W. Carmichael's efforts in debate work, was achieved for 1922, on February 23, when the Normal teams met the Ypsilanti debaters.

Much credit is due Mr. Carmichael for the production of the successful debating teams of the past years. Work in inter-collegiate debating was started in 1920, and the first debate in which B. G. N. C. participated was against Hillsdale college. Both teams were victorious. The next contest was with the debate teams of Kent Normal, and again Coach Carmichael's teams came through with two victories.

Another victory of much importance was added to the list this year when B. G. N. C. defeated the Michigan Normal school's teams by an unanimous vote of the judges.

Debating has been a big factor in making Bowling Green State Normal college better known, in giving it a reputation of

which every one connected with the college should be proud.

Too much credit can not be given to Coach Carmichael and the members of the teams who have won so much glory for the college. Debating is an effort which is worthy of the support of every student and faculty member.

SESSIONS OF SUMMER SCHOOL

The first term of summer school will begin on May 8. The second term will begin on June 19, and the last summer term will start on July 31.

DRAMA CLASS TO PRESENT
"THE TIMES"

The Drama class, directed by Miss McCain, is planning to put on "The Times" by Arthur W. Pinert, on Tuesday evening, April 4, 1922. This play is a four-act comedy and is said to be a scream from start to finish. The play centers about the ambitious but foolish and weak Percy Egerton-Bompas and his wife. The rest of the cast succeed in getting them into all sorts of trouble which finally causes the surprise which comes in the final act. There are high-brows, would-be high-brows, ordinary people and people from Ireland in the play. Every student in college should see this play. Those of the class who are not in the cast are busy making furniture, preparing programs and doing other necessary things to make the play a success. The cast was published in the February issue of the Bee Gee News.

The curtain raiser will be "Suppressed Desires" by Susan Glaspell. It is a one-act modern play and was played by a traveling company at the Aaxon-Auditorium in Toledo in January. It caricatures people who make foolish efforts at philosophy. Helen Urschel plays the lead and is supported by Ralph Schaller and Doris Dewese.

The members of the Drama class are planning to sell artistic souvenir programs on this evening. These will be valuable for memory books and only cost ten cents. The covers will represent a large amount of hand-work and effort and these programs are well worth the price. As many students as possible should buy them.

LITERARY SOCIETIES DIVIDE HONORS

After a series of two games the supremacy of the Emerson Girls and Wilsonian Boys is decided to be unquestionable. The Emerson-Wilsonian series was played on March 16 and 23 in the gymnasium. The Emerson girls won, 10 to 9 and 11 to 2, while the Wilsonian boys won 21 to 12 and 21 to 11.

In the first game the Wilsonian Girls were ahead, 9 to 1, at the end of the first half but were held to nothing in the second half while their opponents made nine points. The boys' game was interesting with the Emerson team in the lead at the end of the half, 8 to 7. The next period saw a decided change in the Wilsonians' playing and the Emerald and White won, 21 to 12.

In the next contest the Emerson girls won, 11 to 2, when they prevented the Wilsonian sextette from scoring a field goal. The first half ended 5 to 2. The Wilsonian boys repeated the trick on the Emerson team and won, 21 to 11. In the first period the Wilsonians had a lead of 16 to 2, but eased up and at the end of the half the score was 16 to 9.

Freshman—What is the most difficult mathematical problem?

Prof. Overman—Trying to make both ends meet.

YPSILANTI-B. G. N. C. DEBATE

Both the negative and affirmative debate teams of the Normal college won by a unanimous vote of the judges over the teams of Ypsilanti Normal in the inter-collegiate debate which occurred on February 23.

The question for debate was, "Resolved: That the principle of the closed shop in American industry should receive the support of public opinion".

Each home team presented the argument for the affirmative.

At Ypsilanti

For the affirmative—Mary E. Humphry, Ola B. Hiller, Helen L. Hanna, Edythe E. Jones, alternate.

For the negative—Charles Richardson, C. Delano Fox, R. J. Langstaff, Gladys Ridsen, alternate.

Judges—Prof. Louis Eich, University of Michigan; Atty. Leslie Lisle, Ann Arbor; Supt. Earl Finch, Wayne.

At Bowling Green

For the affirmative—John McDowell, H. Kenton Moore, Howard R. Ham, T. Doolin Bain, alternate.

For the negative—Edward Heyman, Harvey Klemmer, Clele Mathieson, Louis Leo, alternate.

Judges—Supt. W. R. Ash, Napoleon; Supt. C. B. Reigle, Perrysburg; Rev. B. J. Reemstma, Pemberville.

Bowling Green Normal was well represented at Ypsilanti by Richardson, Fox and Langstaff, all of whom displayed the best in good debating. The locals were royally entertained while in the Michigan city.

A large crowd of students and town folk attended the debate at Bowling Green. McDowell opened the debate here for the locals with a very fiery, convincing argument. Moore followed with an unusual supply of the "hot stuff" needed to make the judges feel that Bowling Green deserved their votes. Ham closed the debate, delivering the final blows which gave the Normal another victory in intercollegiate debating.

The students supported the team in fine shape, favoring with yells and as each juvenile Demosthenes took his place on the platform a hearty applause was his.

The Varsity Male quartette sang before and after the debate, responding with an encore each time.

The "Ypsi" teams displayed much debating ability, and furnished keen opposition for the locals.

Mathieson distinguished himself as the "hard hitter" of the Ypsilanti school.

The debates were a credit to any institution and much is due Prof. J. W. Carmichael, coach, and the members of the teams.

HOME ECONOMICS CLUB

The Home Economics club met Thursday, March ninth, in room 217.

The meeting was called to order by the president, and the secretary's and treasurer's reports were given.

There were two very interesting papers read: "Economy"—Doris Clary, and "Family Income"—Mary Pore.

The debate, "Resolved, That the woman should control the family purse", was very interesting and humorous. Gertrude Scott and Cecile Bevington took the affirmative while Bernice Croll and Pauline Shockey had the negative. The society, as a whole, were the judges and it may be interesting to know that they decided that the woman should control the family purse.

TOLEDO U. VS. B. G. N. C.

Playing a miserably poor game in a miserably poor place under miserable conditions, Bee Gee lost to Toledo U. by a miserable score of 41 to 15. In fact it was a miserable game. Toledo was lucky, getting some of the most impossible shots. Bee Gee was way off form and never even had a chance. The first half ended 17 to 8.

B. G. N. C. VS. DEFIANCE

The Normal team, which was admittedly the smallest team in the conference, played a losing game with the Defiance college quintet Saturday night, February 25, at Defiance.

The heavier team was allowed to rough it up by the referee, Monetta, in the first period and B. G. N. C. only made one point to the home team's twenty.

In the second half the local teachers started slam bang tactics and made 19 points to Defiance's 17, but could not win.

B. G. N. C. VS. BLUFFTON

The teachers lost another game when they traveled to Bluffton college Tuesday night, February 28, and were downed in a close contest, 22 to 17.

For eight minutes in the first half neither team was able to score and then at rare intervals. The score at the end of the half was: Bluffton 8, Bowling Green 5.

Bachman played his best game of the season and Bistline was at his best also.

Both teams played a good square and fair game.

B. G. N. C. VS. FINDLAY

Playing their best game of the season, the professors easily whipped Routson and Company here Friday night, March 3, by a score of 39 to 15. The first half ended 20 to 8.

Premo was like a streak of lightning until he turned his ankle and even then he was faster than any of Findlay's team. Bachman and Skibbie were playing fine and followed in better than ever before.

Bistline and McMan are responsible for Findlay's low score. The game ended in comedy form with "Thunderclap" Olnhausen and "Kapton" McMan each shooting a basket.

BASEBALL SEASON LOOKS GOOD

With the basket ball season safely tucked away and probably, with the exception of electing next year's captain, formally finished, Bowling Green Normal college is focusing all attention upon the chances they have in baseball.

Prof. Beyerman has arranged the best schedule that was ever had in the college diamond game, booking eleven games in six weeks. Five home games will be played by the professors who already are determined to win the championship over. Losing

the basket ball championship has not made the locals exactly as congenial as they might be, so without a doubt the old fight which was so scarce in basket ball will crop out on the diamond.

Bowling Green fans will welcome the news that Ohio Northern University, an Ohio conference school, will play the teachers, both at Ada and on the Normal lot. The recognition received from the down state nine proves the reputation that B. G. N. C. has gotten in one not to be sneered at.

Another college on the schedule outside of the Northwest Conference is Ashland. That game is early in the season and at Ashland. Other games are with Findlay, Bluffton, Toledo U. and Defiance.

Coach Kreiger will take charge of the men soon and will give the batterymen warming up practice in the college gym. Earl Wittmer, who was the mainstay of the teachers last season, will be captain and with a team of veterans behind him should have a successful season.

If Capt. Wittmer is in the same shape that he was last season and the team has the same old fight that they had to get that cup they will be right up in the race. The schedule is as follows:

April 21—Findlay at Bowling Green.
April 22—Ashland at Ashland.
April 28—Bluffton at Bluffton.
May 5—Toledo at Bowling Green.
May 6—Ohio Northern at Ada.
May 12—Defiance at Defiance.
May 18—Ohio Northern at Bowling Green.
May 20—Findlay at Findlay.
May 24—Bluffton at Bowling Green.
May 27—Toledo at Toledo.
June 3—Defiance at Bowling Green.

NG POON CHEW ON CHINA

Dr. Chew, a talented Chinaman, gave an excellent address before the students of B. G. N. C. and the citizens of the town in the college auditorium on March 23. Dr. Chew in his address showed that he had well-earned his title of "the Chinese Mark Twain", because his many good points were well mixed with humor.

He told of China's backwardness and explained it. Today, however, China is awakening from the sleep of centuries and is now throwing off the yoke of aristocracy and is putting on the cloak of democracy. This is due to the efforts of the missionaries. Another method of educating China is by their young people coming to America to study in our universities.

As a result of these influences China overthrew her monarchy and adopted a republican form of government. It is republican in name only but a republic in name is better than a monarchy in fact. China is slow but that is the only way she knows how to do things and Americans must have patience.

Dr. Chew also spoke on their educational system, their revised alphabet, treatment off Chinese women, and relations with Japan. After the conclusion off the address the prolonged applause showed that his address was very much appreciated.

LECTURES TO WOMEN STUDENTS

On February 23, Miss Neville of Scott High, Toledo, gave her second lecture on "Hygiene" to the women students of the college.

On February 27 Miss Sider of Toledo, gave the third of a series of lectures which are being given for the women students of the college. Her subject was "The Social Service Opportunities for Teachers."

LITERARY SOCIETIES

Wilsonian—March 7.

John McDowell, Reporter.

The resignation of Ivan Lake, president-elect for the second semester, was read and accepted. Mr. Lake had served his society for a year as president and felt that another should be given the position. Vesta Fry was chosen by the society to succeed him. Mr. Biery swore in the new officers previously elected for the second semester.

After a short talk by Mr. Lake, letters were presented to Gertrude Fries, Esther Russell, John Fuller and Merrill Hoskinson in recognition of their services last year in the inter-society contests.

A motion was carried that flowers be sent to Dallas March, the Emerson president, who is now convalescing at his home.

It was decided to charge a fine of five cents for each unexcused absence from a meeting and twenty-five cents for failure to appear on the program. "This provision is to be enforced", was the announcement of the new president.

Wilsonian—March 21.

The meeting was opened by the president, who read an invitation to the members of the society from the Foreign Language department, asking them to be present at a party to be given March 28 at eight o'clock.

The matter of the Wilsonian's party scheduled for March 31 was discussed. A committee is to be appointed to carry out the plans of the society.

A few minutes were given over to Helen Hobart who introduced some new yells which were practiced and which are to be used at the inter-society games.

The program, "Sidelights on Japanese Art," was then presented. John McDowell presided, and after stressing the importance of a Japanese program, introduced the following numbers:

Fine Arts in Japan.....Ronald Robertson
Chalk Talk.....Prof. Biery
Japanese Folk Story.....Alice Cole
Solo.....Kathryn Canard

Emerson

Evalyn Bial, Reporter.

The meeting of the Emerson Literary society was held March 6 1922, in room 401. After the roll call, which was answered with quotations from Patriots, the following program was given:

Essay.....Lyndall Miller
Patriotic Reading.....Sylvia Sherrard
Vocal Solo.....Thelma Gustin
Americanization of Edward Bok.....

.....Helen Shafer
Anecdotes.....Sarah Ross
Critic's Report.....Iscah Bell Dall

On the whole the program was well given and Helen Shafer deserves special mention for the splendid discussion which she gave.

The committee which was formerly appointed to make arrangements for the Emerson party to have been given February 7, was re-appointed to set a later date for it.

Emerson

The regular meeting of the Emerson Literary society was held March 21, 1922, in room 315. After a few remarks by the vice president, the following program was given:

CHAPEL EXERCISES

February 21

Prof. J. W. Carmichael made announcements in regard to the debate with Ypsilanti. The teams appeared on the stage for an introduction to the student body.

The address of the day was given by Dr. Clayton C. Kohl, head of the History department, on the subject "George Washington". Dr. Kohl discussed in his interesting style, what Washington did for his country, the contributions he made to American life, and the reason we should celebrate Washington's birthday each year. The great American patriot gave our nation existence and independence. He saved our country from a foolish financial basis; he began American ideals of foreign policy. His farewell address is one of the finest documents on American citizenship ever written.

Washington gave our country character and personality. The address was very inspiring and was well received by the students.

February 28

The devotional exercises were led by Prof. J. W. Carmichael.

The lecture of the morning was given by Prof. Herbert Kimmel on the subject "Heredity". The subject was handled in a very able manner. The hereditary traits of man were fully discussed. "Man inherits his capacities, but his environment gives him his opportunities".

March 7

A few announcements about the literary societies were made. Rev. B. J. Reemstma of Pemberville, gave a talk on the subject "Love Thy Neighbor as Thyself". He emphasized the fact that we are indebted to our fellowmen more than from a purely business standpoint. He also commented upon the success of the debate teams. His talk was well received by the students.

March 14

Lieut. Donald West, who recently returned from Russia, gave the talk at chapel. He spoke on the conditions in Europe, as he saw them. The talk was very interesting and was well received by the students.

March 21

The time was taken by announcements and a lecture on "The Teaching Profession" by Dr. H. B. Williams. The talk was interesting and contained much valuable information for the B. G. N. C. students who are going out in the future to teach school.

COUNTY TOURNAMENT

The Wood County Tournament, enterboys and girls teams, was held at the college gymnasium on March 17 and 18. Pemberville Hi's boys won the championship, Perrysburg's girls also copped the championship, while the Pemberville girls and Haskins boys won consolation honors.

The "Varsity N" aided in the conducting of the tourney and deserves much commendation for the work they accomplished. The girls of the "Ladies' Aid" also helped in taking care of the girls' teams.

These organizations therefore have done a great work in putting the Normal college before Wood County's high schools.

COUNTRY LIFE CLUB

The Country Life club held its first meeting of the year on Tuesday, February 28, for the purpose of electing officers. Those chosen were:

President—C. D. Fox.

Vice President—Doolin Bain.

Secretary—Iscah Belle Dall.

Treasurer—Gertrude Fries.

Chairman Program Committee—Eva Schwemer.

Chairman Social Committee—G. K. Urschel.

After the organization the members filed to the gymnasium where an informal social hour was observed. Every student in college is invited to join the Country Life club. There are no formal dues and not only profitable programs are put on but also a good time is had in the gym. Let's all be out for the next Country Life club meeting and make Rev. Fox's administration a success.

March 12

The Country Life club held its meeting in the auditorium. The program was opened by a well-played violin solo by Doris Powell. E. E. Leidy then gave a very interesting discussion of current events. He emphasized the fact that if things were not so serious they would be all of them funny. Gladys Ridsen then closed the program with two well-given readings. After the program the members went to the gymnasium for the customary social hour. The club is planning to have a taffy pull in the near future.

CO-ED PROM

Had a visitor entered the college gymnasium on the evening of March 10, he might have expressed his surprise at finding such a large number of boys present at a B. G. N. C. party. In fact there has been no other party this season when there were "boys enough to go 'round". There were little boys, big boys, soldier boys, sailor boys, newsboys, farmer boys, and dudes, as well as little girls and big girls, old fashioned girls and old women, all of whom were enjoying a pleasant evening of fun. Who were all of these people? They were the girls of the Normal school at the annual Co-Ed Prom. The gymnasium was decorated in pink and green. Dancing was the chief means of entertainment and the girls enjoyed all the dances from the "Borated Talc" waltz to the "Djer Kiss" whistle. We might consider any girl extraordinarily choicy if she couldn't find one dance upon her program named for her favorite face powder. An Eskimo pie was served to nearly everyone. Some of our male students had satisfied their hunger from the supply of pies, earlier in the day, hence the shortage. After "Home Sweet Home" has been played all declared they had had a jolly good time and said, "Must girls' proms come but once a year?"

PERSONALS

Mrs. Grace Walker, matron of Williams Hall, has been ill for several weeks.

Dallas March, who was accidentally shot some weeks ago, is able to be out, and will take up his studies again at the college in the near future.

Men's Hop, April 21st, is to be a real for sure party. Fine music, novel decorations, programs, and all the formal courtesies which the men know so well how to carry out. Admission by couples only for the small tribute of two dollars. Guest cards and all information regarding the Hop may be secured by writing or seeing C. D. Fox, chairman of the invitation committee. Be sure to write Mr. Fox for guest tickets before April 6th, 1922.
