**[Attack on Titan: A Survival Guide]** [Ashley Tompkins] I'd like to introduce the series & characters, in addition to small sections of the plot. Also, I'll talk about how I made it through watching the series because of the emotional roller coaster ride caused.

**[Gotham City Chronicles ]** [Raijphinai Harris] Batman for years has become a bigger aspect of a character throughout the coming years, beyond even the comics. we want to give appreciation & discussion on not only the world's greatest detective, but also the relevance of his universe, from the Up rise of his villains fame (i.e. Harley Quinn), to even his success in other media such as film & video games.

**[A Yaoi & Yuri Look-see]** [Jacquelyn Toberman] I plan on talking about all things Yaoi & Yuri. I want to talk about different shows & show small clips from shows. As well as talk about people shipping their favorite characters to create yaoi or yuri.

**[FRUITY RUMPUS ASK PANEL]** [Jordan Hollenbaugh] Have a question to ask your favorite character in Homestuck? Now's the perfect time to do it! We'll answer your questions, preform some skits, & then you can join us outside after the panel for a Homestuck cosplay photo shoot & to play AMAZINGLY fun games!

**[Ghost in the Shell: Plugged In]** [Caitie Bolton] For over two decades, the Ghost in the Shell series has kept us on the edge of our seats & completely blown our minds away. From Puppeteer to Solid State, manga to anime, blue hair to pink hair & back to blue, the Ghost has remained strong. Join us as we explore the past, present, & future of The Major & Section 9 with both informative & entertainment portions. THERE WILL BE SPOILERS.

## COSTUME GUIDELINES

All attendees in costume, whether they participate in the Cosplay Competition or not, **MUST** abide by the following rules, which are also posted online:

No weapon-props that look realistic; all metal swords must be zip-tied shut. Real weapons are PROHIBITED as per the BGSU student Handbook

Shoes (or other similar footwear) & a shirt (or other garment that covers the chest) must be WORN AT ALL TIMES regardless of gender. Bare chests & bare feet are not allowed.

Animarathon & University staff members have the final say on what is allowed. At any time, if your attire is found to be improper, you may be asked to rectify the problem. The Animarathon and University staff are the authorities on acceptable behavior. Attendees who are disruptive may be asked to leave an event or the convention at any staff member's discretion. Animarathon will have BGSU Security staffing the event, as well as the Bowling Green police ensuring that the rules and guidelines are followed. If you have any problems or questions regarding the rules, or if you are unsure as to whether a costume is appropriate, please contact a staff member wearing a green Sims plumbob or wearing a CON SECURITY shirt.

Dear Fellow Otaku,

Animarathon is the largest entertainment event on BGSU campus, which is best described as a one day swarm of Japanese entertainment culture enthusiasts. We welcome enthusiasts all of shapes, sizes and experiences, to a foster an environment where we can all interact with each other as if we were all one big family. It is our goal to create such an intense experience that it feels like a full three-day convention experience wrapped up in one Saturday. This is only made possible by the funding allocated to us from the university and the generous donations from people who share our passion for this convention and club. Animarathon is a phenomenal experience for both old and new Japanese entertainment enthusiasts; this convention is an enjoyable time for a seasoned veteran and a newbie looking to expand their horizons or a reluctant friend dragged to the event. We pride ourselves on having something for almost everyone. It is my wish that everyone enjoy their time at Animarathon XII and return next year to see what new things we'll be showcasing. Now without further delay, get pumped, get hyped, have some fun, and come back and see us next year in 2015.

Panzer Vor!
